village hope

September Prayer Call

Missioner (James)

- 53% of the population of Herefordshire live in rural areas. Pray for workers to reach them.
- Pray that Christians living in Herefordshire villages will find one or more other Christians in their village, start praying together and see what God will do!
- Pray for small groups to start meeting in rural communities all over Herefordshire for prayer, fellowship, bible study, worship, enquirers' courses and evangelism.
- Pray that the church in rural areas will be renewed, so that villagers will hear that Jesus is alive today.
- A "Filling Station" starts this month in South Herefordshire. Pray that many Christians living in rural areas will connect with these monthly meetings and be spiritually built up.
